FARBTONKARTE  
COLOUR CARD

### STANDARD 1

Deckende Siebdruckfarbtöne  
Opaque Screen Printing Colours

**STANDARD** ist die Farbtonreihe von Coates Screen Inks mit mittlerer bis guter Deckkraft.

Diese Farbtonkarte „**STANDARD 1**“ ist gültig für die oben genannten Farbsorten.

Zur Verfügbarkeit der einzelnen Farbtöne innerhalb der o.g. Farbsorten lesen Sie bitte die entsprechenden technischen Merkblätter.

Eventuelle Farbtonabweichungen zwischen den Farbsorten sind systembedingt.

HINWEIS: Extra hochdeckende Farbtöne finden Sie in unserer Farbtonreihe STANDARD HD.

*Coates Screen Inks range of **STANDARD** colours comprises colour shades with a medium to good opacity.*

*This colour card "**STANDARD 1**" applies to the ink ranges listed above.*

*For availability of individual colour shades please refer to the relevant product data sheets.*

*Possible slight deviations of colour shades between individual ink ranges are subject to formulations.*

*NOTE: For HIGHLY opaque colour shades please refer to our colour card STANDARD HD.*
